Maple – The Heart of Vermont

The Vermont Maple Festival will be celebrated April 28-30, 2023, in downtown St. Albans. Vermont is the largest producer of Maple Syrup in the USA and is recognized for its outstanding product, and we want to keep it that way! We will celebrate Vermont's Signature Crop – **Maple Syrup**, for everyone to enjoy and learn about.

The past few years have been a challenge for everyone. We will celebrate the Vermont Maple Festival this year with no restrictions. Your sponsorship has made 56 years possible! It is because of your commitment to us that we move forward every year. Our goal is to highlight and include your business in the best possible way. We can't appreciate enough all the businesses, volunteers, the city of St. Albans, Police, Fire and Rescue that help make it possible to put on such a great weekend.

Our Maple Festival this year will bring back the Craft & Specialty Food Show & Antique Show. The Youth Talent Show, and Fiddlers Show will be held at the BFA performing Arts Center. The Exhibit Hall at St. Mary's Parish Center will display the Maple Cooking Contest, the Maple Products Contest, Festival Merchandise for sale & Maple Products to entice the foodies. We will also have some cooking demonstrations. The Downtown will be alive with Music, Food and Children's entertainment. The annual Sap Run and Parade will be alive and well on Sunday.

This year sponsorship will follow suit as last year with dollars being combined to help with all event expenses and Upper levels of sponsorship will be dedicated to a specific event if requested. If in the past your company enjoyed sponsoring a specific event, we will offer that same opportunity again.

The main goal of the Vermont Maple Festival is to "**educate and promote Vermont Maple**". We hope that this year's festival will bring a breath of springtime fresh air to everyone and a reason to get outside and enjoy Vermont.

Thank you for your time and consideration. We hope we can count on your support this year. Attached is the layout of our various sponsorship levels. If anyone from your company would like to help us at the festival, please have them contact us. We look forward hearing from you. We need written commitment by January 1, 2023 to be included in the brochure.

Vermont is special ~ the people are special~ and we are blessed to live in Vermont
