“Tap into Vermont Maple”

The Vermont Maple Festival will be celebrated April 22-24, 2022, in downtown St. Albans. Vermont is the largest producer of Maple Syrup in the USA and is known for its outstanding product, and we want to keep it that way! We will celebrate Vermont’s Signature Crop – Maple, for everyone to enjoy, savor and learn about.

The past few years have been a challenge for everyone. We will have an edited version of the Vermont Maple Festival this year, working around event space and the concerns of keeping everyone safe. Your sponsorship has made these 55 years possible! It is because of your commitment to us that we move forward every year. If you feel comfortable that you can sponsor this year that is great, but we totally understand if you can’t. We hope that by bringing the Maple Festival back, even in a smaller version this year, it will hopefully help your business. We can’t appreciate enough all the volunteers, the businesses, the city of St. Albans, Police, Fire and Rescue that help make it possible.

With our edited version of the Maple Festival, we will be staying outside other than a display of the Maple Cooking Contest entries and the Maple Products Contest being held at St. Mary’s Parish Hall. The Craft Show & The Antique show will be postponed again this year as well as the Maple Banquet and Fiddlers Show. The Downtown will be alive with Music, Food and Children’s entertainment. The annual Sap Run and Parade will be alive and well on Sunday also. We are still working on events; they will be announced as we proceed.

This year because of a short time frame and fewer areas for sponsorship, dollars will be combined to help with all event expenses, however, Upper levels of sponsorship will be dedicated to a specific event if requested and if that event is still happening.

The main goal of the Vermont Maple Festival is to “educate and promote Vermont Maple”. We hope that this year’s festival will bring a breath of springtime fresh air to everyone and a reason to get outside and enjoy springtime in Vermont.

Thank you for your time and consideration. We hope we can count on your support this year. Attached is the layout of our various sponsorship levels. If anyone from your company would feel comfortable helping us at the festival, please let us know. We look forward hearing from you.

Vermont is special ~ the people are special~ and we are blessed to live in Vermont

Have a great day! Cecile Branon & Alan Kinney
