Cathy Branon
Fairfield, VT

Berkley McNall
Fairfield, VT

We will fill the streets of St. Albans on April 26, 27, 28 2024 as we again celebrate Vermont’s signature crop Maple Syrup. To add another successful year making us 57 years celebrating and educating is remarkable, and being thankful that Vermont still leads the industry as the highest producing state in the United States. We are grateful for our sponsors and the City of St. Albans to allow us to host this event here in Franklin County.

Returning to a full event schedule in 2023 proved successful with great weather and attendance. This could not have happened without you, our sponsors! We appreciate each dollar donated and understand the commitment that means to your business. Our planning has begun, and we are asking for your support again this year or to join our team of dedicated contributors to help us continue to bring this event forward and show the pride we have about Vermont Maple.

Your company will be highlighted in TV, Radio, Paper, and social media. Also listed in schedules, banners, and announcements. We will do our best to showcase your company as a sponsor.

Thank you for your time and please consider sponsorship for the 2024 Vermont Maple Festival. As in the past we just need your commitment now and you can choose to make payment in 2023 or 2024. This allows us time to get you listed in the brochure and advertising.

Vermont is special ~ the people are special ~ and we are blessed to live in Vermont!

Have a great day! Cecile & Alan
